Write to: BARBIE Comics, 387 Park Avenue South, New York, NY 10016

Hey, kids — Since we print your name, age, city and state, please include them on your letters.

Dear BARBIE,

I love reading your comics! Your are very beautiful! I wish you were my sister!

I love to play with Barbies! When I grow up I want to be just like you! I like the stories "Shop Talk!" "Who's Rowing the Boat?" and "Toyland!"

Lauren Croft, age 9
Agoura Hills, CA

Thanks for writing to let us know which stories you liked, Lauren! We enjoy hearing from our readers!

Dear BARBIE Comics,

I really like your comics. One comes to my house about every month. I like getting things in the mail.

Adena Thiesen, age 10
Newton, KS

We love to get things in the mail, too, Adena — like your letters! If any of our readers would like to receive their comics through the mail — check out the subscription form in the back of this issue! You'll never miss an issue! Be sure to check with a parent or adult first!

Dear BARBIE,

I already have seven of your great comic books. I wish I had more. I love reading your comics. I think they are excellent. I have lots of Barbie dolls. I want to collect all of your great comics. I can't wait till I get them all. I also can't wait to read the next one! Please write back to me.

Jenna Gentle, age 8
Pembroke Pines, FL

Collecting things is a great hobby, Jenna! And of course, we can't think of a better thing to collect than BARBIE and BARBIE FASHION!

We really enjoy reading your letter, as well as everyone who writes to us! Unfortunately, we cannot respond to each letter we receive with a personal reply — there are just far too many! We hope you enjoy reading the few that we have room to print in this space each month!

Dear BARBIE,

I am 19 years old and still love to play with Barbie, Ken, Midge and Skipper. Everyone thinks I'm weird and lots of people won't even talk to me. I don't listen — I think if I

enjoy it, I should play with them. Thank you for listening to my life-long dilemma.

Chad Kelly, age 19
Bedford, TX

We couldn't agree with you more, Chad! Perhaps it might make you feel better to know that you're not the only one with a lasting love for Barbie! Check out the next few letters!

Dear BARBIE,

My name is Jill. I have many, many Barbies. My family went to Vermont. We stopped at a gas station and I saw some comic books. I looked, and there was a BARBIE comic book. I bought it and read it coming home to New York. It was the greatest! I plan to buy more!

I'm 10 years old and some girls my age don't go for Barbie, but I do!

Jill Babinski, age 10
Elma, NY

You can never outgrow Barbie, Jill! Keep reading!

Dear BARBIE,

Hi! My name is Jane Kim. I am 11 years old. I hope that people who find out that I am 11 and I love Barbie don't make fun of me. I used to be very embarrassed, but I still read your comics. I love your comics! I found out from the letters that a girl who was 12 years old liked Barbie too, so I am not embarrassed anymore.

Jane Kim, age 11
Whitestone, NY

If you think it's great to see 12 year olds writing about how much they love Barbie, Jane, we think you'll be especially interested in the next letter!

Dear BARBIE,

I enjoyed your trip to Egypt. I would love to see you go to Greece and Hungary. I have Barbie dolls, and I plan on getting both BARBIE and BARBIE FASHION.

K.R., age 41
Sacramento, CA

Thanks for writing, K.R.! It's always great to know that BARBIE and BARBIE FASHION have fans of all ages!

Dear BARBIE,

My name is Jeffrey and I live at Oakwood, at the Woods School. I think you are pretty and I love your hair. I want you to come to school with me and be my friend, so I could see you every day. We can do homework together, we can go to the mall and we can buy hamburgers!

Jeffrey Reiter
Langhorne, PA

Sounds like a great time, Jeffrey! Since Barbie is so busy with all the adventures in her comics — why don't you take one of your school friends? We know it will be fun!

Dear BARBIE,

Do you have issue #1 of BARBIE comics? If you do please send it to me. I like your comics.

Michele Schripsema, age 9
San Jose, CA

You're not the only reader who has written to ask about getting comics from us, Michele! We're sorry, but we only make the comics here, we don't sell them.

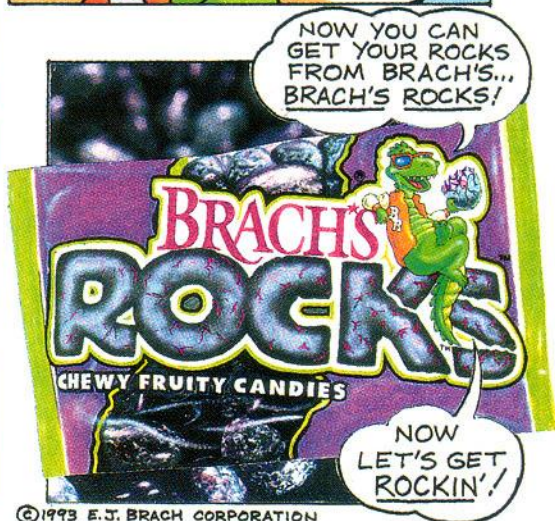

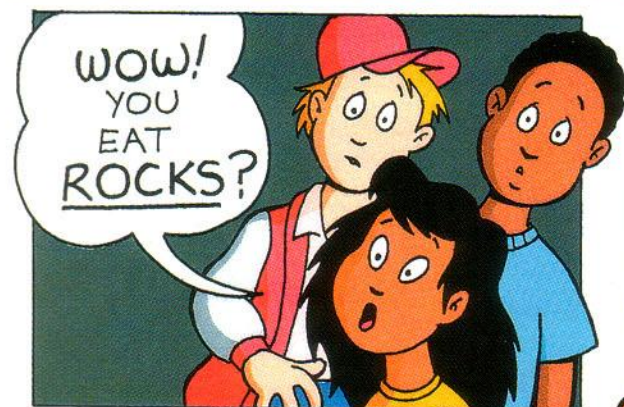

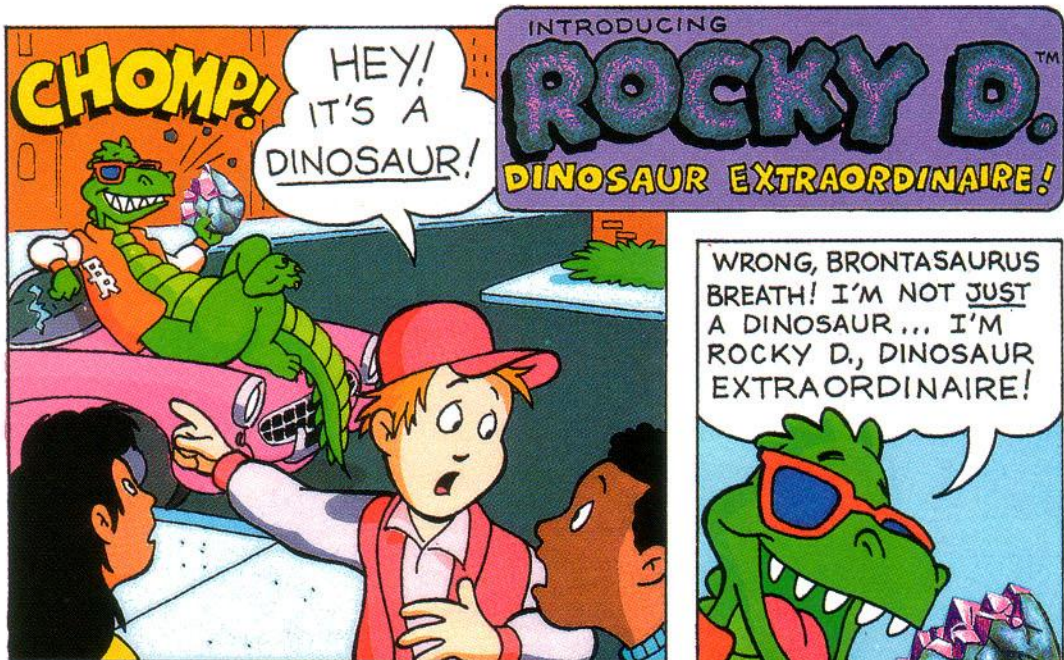

Our best advice to you is to check out the local comic stores in your area. If you don't know where to find them, check in the yellow pages under "Comics and Collectibles." Comic stores usually stock back issues, and if they don't have what you're looking for, they can sometimes order it for you. Good luck!

Dear BARBIE,

How are you? I am fine. My teacher gave me a BARBIE comic and I loved it. I'm real good at putting together the Barbie puzzle she gave me. I hope to get my first Barbie doll for my birthday. How do you stay so thin?

Karen Crowder, age 15
Flushing, NY

Please thank your teacher for us! We're glad you both like BARBIE comics! Remember, Karen, that Barbie is a doll, not a real person! We real people are all unique and different, and although exercising and eating right can keep us healthy and fit, we'll never be dolls — and we wouldn't have it any other way!
